Drinking beautifully

RYMILL COONAWARRA MATURATION RELEASE CABERNET SAUVIGNON 2004 (\$35)

A Coonawarra Cab, from a great vintage, with the cellaring done for you, at a great price! Young Cabernet can be hard work at times, not so this wine, this is quite affable. The Rymill is really hitting its straps. You don't have to be a purist to appreciate this red as it's drinking beautifully in anyone's language. Softened cassis and mulberry play with cherry and slight herbal characters. Fine tannins compliment the package.
