RYMILL COONAWARRA 2010 The Yearling Cabernet Sauvignon

Top 10 - The Adelaide Review Top 100 Wines 2011

“Expressive aromas with iodine and wild brambly berry fruit. An ultra-vibrant, youthful palate that shows beautiful ripe fruit in a frame of feathery tannins. Plush, but will welcome a wealth of food accompaniments.”

Max Allen

“Amazing value, savoury, classically elegant red from Coonawarra.”

Campbell Mattinson

“Really good to come across a wine like this. Real cabernet for \$13. Leafy, curranty, even has a good strike of tannin. Bright and fresh. Boysenberry/mulberry/tobacco notes. Proud of what it is: cool climate cabernet sauvignon.”
