# 90 points

## A no brainer - 90 points

“Even at full mark-up this sauvignon blanc from Rymill is fantastic value. It’s a wine of terrific intensity. The cool, wet vintage has not done this wine any harm. Vibrant, concentrated flavours of passionfruit and citrus. Length, purity, and concentration of flavour. Released the July after vintage – amazingly young, really. But the quality and drinkability is all there. Value? If you like Aussie sauvignon blanc, this one’s a no brainer.”

## Bargain of the week

‘93 points. A cool season resulted in a rare stand-out Coonawarra Sauvignon. Intense, lifted passionfruit, lemon zest aromas. Very fresh, intense flavour with tangy natural acidity and racy, nervy vibrancy.

Good texture.”

## A cut above

‘Fresh and fruity. This is as fresh as you’d expect with a huge waft of passionfruit and lime florals, followed by a great zing of lime citrus acidity that hangs in the mouth with a light chalky textural presence that stays on and on and on. Lots of excitement in the tasting here.’
