COONAWARRA

mc² - Vintage 2004

If you want to know what the Coonawarra can do under one red note, grab this. Get a sense of the blackberry and currant fruit, with cool minted background from its cabernet, merlot and cabernet franc friendship pact. Mighty friendly in bistro and barbecue settings.

Delicious cabernet sauvignon, merlot and cabernet franc combo showcasing Coonawarra's red wine greatness. Extremely approachable with rich fruit flavours in abundance.

The newly released 2004 Rymill Coonawarra mc², a plummy, berry-rich blend of cabernet sauvignon, merlot and a touch of cabernet franc. This fine South Australian maker says 2004, with its long, cool summer, was a great year in the Coonawarra: the ready-to-drink evidence is here at a reasonable price.

When it comes to wine I like to drink blends so the Rymill mc² Coonawarra cabernet sauvignon merlot cabernet franc (SA) really stood out to me! It is a delightful drop...
