

RYMILL
COONAWARRA

sbs – Vintage 2009

Although better known for its reds, Rymill Coonawarra Sauvignon Blanc Semillon 09 is a charming, delicate wine. It has a lemony, marzipan nose, citrus and butterscotch flavours and faint oak.

Northern Advocate, NZ
Graeme Barrow
October 2009

Winemaker Sandrine Gimón created this blend of sauvignon blanc and Semillon as a white partner to Rymill's mc² red blend which has gained a big following over the years. It's clean as a whistle, elegant and textured with citrus and tropical fruit flavours, herbaceous characters, a touch of spice, zesty acidity and a crisp finish. Drink with grilled fish.
