*Herbaceous nose with a hint of pineapple.
Tastes sweet and citrusy, with a lovely crisp
finish.*

*Although better known for its reds, Rymill
Coonawarra Sauvignon Blanc Semillon 09 is a
charming, delicate wine. It has a lemony,
marzipan nose, citrus and butterscotch flavours
and faint oak.*

*Winemaker Sandrine Gimon created this blend
of sauvignon blanc and Semillon as a white
partner to Rymill's mc² red blend which has
gained a big following over the years. It's clean
as a whistle, elegant and textured with citrus
and tropical fruit flavours, herbaceous
characters, a touch of spice, zesty acidity and a
crisp finish. Drink with grilled fish.*
