COONAWARRA

The Yearling Sauvignon Blanc – Vintage 2009

92 POINTS

A notably fragrant and flowery bouquet foreshadows a crisp, lively and expressive palate with a juicy mix of citrus and passionfruit flavours.

Coonawarra is red-wine country, first and foremost, but don't ignore the whites. This one has lightly fragrant, sweetly fruity sauvignon blanc aromas, reminiscent of tropical fruits and lime pastilles. It's light in the mouth but tangy and persistent, refreshing and uncomplicated. Four stars.

Herbaceous nose with a hint of pineapple. Tastes sweet and citrusy, with a lovely crisp finish.

French winemaker Sandrine Gimon is producing some outstanding wines for family-owned Rymill and this has a vibrant, herbaceous nose leading to a fresh and fruity palate. Pair with freshly shucked oysters.
